Dear Stakeholder (s)

STAKEHOLDER VALIDATION FOR EZULWINI MUNICIPALITY DROUGHT MANAGEMENT PLAN

The above matter refers.

The Ezulwini Municipality is responsible for the prevention and minimization of environmental health hazards and natural disasters within the jurisdiction of the Municipality. The Council is further tasked with the development and implementation of Disaster Risk Reduction initiatives, including the development of a **Disaster Management Plan**.

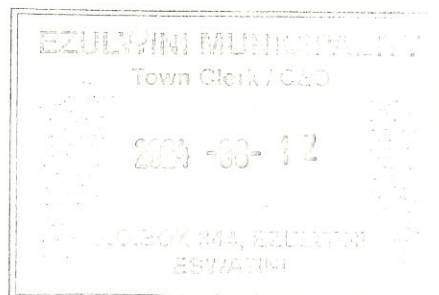

Ezulwini Municipality, therefore, invites you to participate in a stakeholder validation workshop for the discussion and review of the Ezulwini Municipality Drought Management Plan. This workshop is a crucial step in strengthening the plan's effectiveness in mitigating the impacts of drought and enhancing community resilience within the urban area.

The stakeholder validation workshop will be held on **Friday, August 16th, 2024, starting at 09.00hrs- 11.00hrs at Emafini Country Lodge, Mbabane.**

For further information and clarification, please contact the Public Health and Environment Manager at xolilem@ezulwini.co.sz or 7808 0015.

Yours faithfully,

Mathokoza S. Shongwe
Town Clerk/CEO
