Dear Esteemed Member of Customs to Business Forum,

RE: INVITATION TO THE CUSTOMS TO BUSINESS FORUM MEETING OF THE 2nd QUARTER OF 2024/25

It is a pleasure to invite you to the Customs to Business Forum meeting to be held at the **ERS Headquarters**, Ezulwini on the **11th October 2024** from **09:00 - 12:00hrs**.

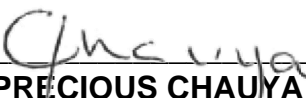

The Customs to Business Forum provides a platform for cooperation between Customs and stakeholders in addressing challenges and contribute to a facilitative environment for legitimate cross border trade. The participation of all members is highly encouraged as we believe contributions from all stakeholders will add value to the outcomes and enhance the effectiveness of interventions.

The focus on engagements is aligned to the 2024 theme that was unveiled during the International Customs Day which emphasises the need for strengthening existing partnerships through purposeful engagements. This also underscores the importance of regular meetings to improve follow-through and monitoring of agreed actions to realise the anticipated outcomes.

The meeting agenda is attached for your perusal and inputs. For more information contact Ms Lungile Dlamini, email lcdlamini@ers.org.sz cell no. **7606 4212** or Ms Nomalungelo Shongwe, email NNShongwe@ers.org.sz cell no. **7606 3151**.
